

Product name: **DV-4401 Blue Lens Tape**

<p>1. Product and company identification Product name: DV-4400 Blue Lens Tape Manufacturer/Distributor : DAC VISION 3630 West Miller Road, Suite 350, Garland, TX 75041 Phone number. : 1-972-677-2700 Fax: 1-972-677-2800 E-mail: dacvision.na@dacvision.com Emergency phone number: Chemtrec: 1-800-424-9300</p>	<p>Date revised :2015</p>
<p>2. Composition, information on ingredients Consists of a heat sensitive film (LDPE: Low Density Polyethylene film) coated with a blue acrylic adhesive. It offers moderate tack and adhesion properties and high cohesion. Is presented on a siliconized paper liner. Polyethylene tape – Acrylic adhesive – Siliconized paper</p>	
<p>3. Hazard identification No specific hazards if product is used as intended for lens processing.. Inhalation: Not applicable Eye contact: Not applicable Skin contact: None hazardous effects known Ingestion: Not applicable Environment: See item 12 and 13.</p>	
<p>4. First aid measures Inhalation: Not applicable Eye contact: Not applicable Skin contact: Wash with soap and water, in case of skin irritation; wear protective clothing. Ingestion: Not applicable Environment: See item 12 and 13.</p>	
<p>5. Fire fighting measures Extinguishing media: All approved extinguishing media for environment fires are suitable. Inappropriate extinguishing media: Specific hazards: Flammable Personal protection: In the event of fire, the product can generate CO₂, CO, Use specific equipment.</p>	
<p>6. Accidental release measures Individual and environmental protection: Not applicable Cleaning up: Not applicable</p>	
<p>7. Handling and storage Handling: The best storage conditions are 68°F ±41°F, 50%HR ±15% HR, in a healthy location (without dust, grease, or water), and products being in their original packaging. Storage:</p>	
<p>8. Exposure control / Personal protection No specific hazards under normal conditions of use, handling and storage for the lenses fining. Wash with soap and water, in case of skin irritation; wear protective clothing. Respiratory protection: Not applicable Hands protection: Not applicable Eye protection: Not applicable Skin protection: Not applicable Personal hygiene: Handle with elementary precautions of hygiene and neatness. Do not eat, drink, or smoke on the work area. Wash hands abundantly before eating, drinking or smoking. Avoid inhalation or ingestion of smoke.</p>	
<p>9. Chemical and physical properties Appearance: Solid Color : Blue Odor: Subtle pH: Not applicable Boiling temperature: Not applicable Melting temperature : Not determined Decomposition temperature : Not determined Flash point: Not applicable/Not determined Density: Not applicable Viscosity: Not applicable Solubility: Not applicable Vapor pressure: Not applicable</p>	

<p>10. Stability and reactivity Stability: Products are stable and non reactive under normal conditions of use and storage. Conditions to avoid: None Materials to avoid: Strong bases, acids and oxidizers Decomposition products: None hazardous under normal conditions.</p>
<p>11. Toxicological information: Acute toxicity Inhalation: Not applicable Ingestion: Not applicable Skin contact: Long skin contact can lead to irritation. Eye contact: Not applicable Chronic toxicity: Not applicable Irritation/sensitization :</p>
<p>12. Eco-toxicological information Degradability : - Accumulation : - Effects with short and long terms: - Different harmful effects : -</p>
<p>13. Disposal Dispose according to local regulations. Comply with all federal, state and local regulations. Recommendations: Transfer to a suitable container. Dispose according to local regulations. Code EWC (European waste code): 12 01 99 (ADEME) Contaminated containers recommendations: Dispose according to local regulations.</p>
<p>14. Transport information: Not restricted Labeling: -</p>
<p>15. Regulatory : Labeling according to European directive 67/548/CEE: Phrase S : - Phrase R : -</p>
<p>16. Other information: These information are based on Material Safety Data Sheets from the manufacturer. They do not represent a warranty on the properties of the product. They do not excuse the user of the product from knowing and applying the regulation and from performing the obligations which fall to him during the use of this product. Product intended for an industrial use only. Not to use for other applications than those mentioned on the Technical Data Sheet. Handle with elementary precautions of hygiene and neatness.</p>
